***Election/Restrictions***

Applicant's election of claims 11-15 in Paper filed on May 21/2004 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

***Examiner Amendment And Reasons For Allowance***

***Examiner Amendment***

An Examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. § 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the Issue Fee.

This application is in condition for allowance except for the presence of non-elected claims 1-10 and 16-21. Accordingly, claims 1-10 and 16-21 are canceled.

The application has been amended as follows:

In the claims:

Cancel claims 1-10 and 16-21.

***Reasons For Allowance***

The following is an Examiner's statement of reasons for the indication of allowable subject matter:

The basis for the allowability is :

Art Unit: 2812

Prior art of record does not teach forming an electrode in the channel that is formed in a semiconductor substrate material, mixing a polymer solution comprising a conductive polymer and an organic solvent, the polymer comprising a polar group at one end and a non-polar conjugated chain and depositing the polymer solution into the channel to form an organic semiconductor layer over the electrode, the polymer orienting itself so that the polar group is proximate the electrode and the non-polar chain extending away from the electrode.

Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 C.F.R. § 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a diligently-filed petition under 37 C.F.R. § 1.48(b) and by the fee required under 37 C.F.R. § 1.17(h).

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
